

## MAA MathFest 2007 Jeopardy Results

Congratulations to the team from the University of Texas – Arlington for achieving the top score of 2200 points after the final jeopardy question. Second place (with a total of 42 points) went to the team from Augustana College. The Ohio teams from Mount Union College and Youngstown State finished third and fourth, respectively. Prof. Michael W. Berry from the Department of Electrical Engineering and Computer Science at the University of Tennessee, Knoxville served as emcee. The contest was held at the Fairmont Hotel in San Jose, CA on Friday, August 3, 2007.
