	Alexandre Yand	Jr	Mathematics
Berry College			
Third Place (399)	Nathan Gaby	So	Mathematics
	Thomas Morales	So	Mathematics
	Andy Sphar	So	Mathematics
	Randall Tuggle	So	Mathematics
Kennesaw State			
Fourth Place (0)	Joshua Enwright	Jr	Mathematics
	Joshua Gaze	Sr	Mathematics
	Patrick Glenn	So	Mathematics
	Joshua Oleksxak	Sr	Mathematics

Narrative Summary:
Early in the round there was a three-way tie between Clemson, Berry, and Kennesaw with Kennesaw forging ahead. Into the Final Jeopardy question, Kennesaw was 200 points ahead of Berry with Clemson a distant third. However, a combination of large bets by Kennesaw and Berry and only Clemson answering the FJ question correctly, secured the victory by the home team. Methodist sneaked into second place with Berry and Kennesaw taking third and fourth places, respectively.
