

MathFest 2014 Jeopardy

This year's Undergraduate Math Jeopardy Contest at MathFest allowed all students a chance to participate in the event. Students submitted entry forms and sixteen names were drawn to field four teams (of 4 contestants each) named for the four houses of Hogwarts (re: Harry Potter). Michael Berry (Tennessee) emceed the event and Robert Vallin (Lamar University) organized the event. The most impressive performance was made by the Slytherin and the team representing Ravenclaw followed in second place during much of the round.

Gryffindor

Michael Liu,
Georgetown
Jenny Rastad,
Luther College
Jake Kearley,
Elmhurst College
Langston Williams,
Lenoir Rhyne

Hufflepuff

James Ford,
SUNY Geneseo
Sam Blakely,
Saint Michael's
Joe Shepparo,
Kansas State
Erlan Wheeler,
Carthage College

Ravenclaw
